## SUMMARY

As a determined and visionary computer science student, I am driven by a steadfast commitment to entrepreneurship. My overarching goal is to leverage my education, innovative thinking, and tenacity to create and lead successful ventures. I am dedicated to acquiring the knowledge and skills necessary to bring transformative ideas to fruition in the dynamic world of business. I seek opportunities that will empower me to pursue this entrepreneurial dream while contributing strategic insights and expertise to your esteemed organization.

## EDUCATION

### B.Tech in Computer Science and Engineering - 8.9 CGPA

SRKR Engineering College 2021 - Present Bhimavaram

### Higher Secondary - 98.5 %

Sri Chaitanya Junior College 2019 - 2021 Vijayawada

### Secondary School Certificate - 10 GPA

Thrividha E.M High School 2019 Nuzvid

## SKILLS

### Technical Skills

Java Python C++ DBMS Tableau DSA

Object Oriented Programming

### Soft skills

Time Management Teamwork patience Problem solving

## PROJECTS

### Luggagemovers

2023 Remote

- LuggageLite is an innovative web-based platform that revolutionizes the travel experience. Our project addresses the common pain point of carrying heavy luggage while traveling. We offer a seamless solution where travelers can register and schedule luggage pickups from their doorstep, ensuring a stress-free journey.

### Community service Project

2022 Remote

- Engaged in a comprehensive community service initiative aimed at enhancing the quality of life and well-being of rural communities. Conducted a meticulous survey covering 100 households in Naguluru to assess their living conditions, identify challenges, and propose sustainable solutions.

## ACHIEVEMENTS

### Stood first in the district level Spelling Bee competition

Achieved the prestigious distinction of securing first place in the district-level spelling bee competitions during both my sixth and seventh grade academic years

### Selected for the state level Science Fair

Distinguished 6th place in the district-level science competition with a project aimed at mitigating borewell-related accidents and advancing child rescue solutions, leading to selection for the State-level Science Fair organized by the Central Government of India during my 9th-grade year.

## EXPERIENCE

### Machine Learning Intern

Henotic Technologies

2023 Remote

- During my internship at Henotic Technologies, I applied machine learning algorithms to proactively detect and prevent online payment fraud, demonstrating my ability to implement data-driven solutions in a real-world business context

## EXTRACURRICULAR ACTIVITIES

### Executive Body Member

Indian Society for Technical Education

Currently serving as an Executive Body Member of the Indian Society for Technical Education (ISTE), where I actively contribute to the organization's mission and initiatives

### Class Representative

SRKR ENgineering College

Presently holding the role of Class Representative, I am responsible for representing the interests and concerns of my peers while fostering effective communication between students and faculty

## COURSES

### Cisco Networking Academy

Currently enrolled in the prestigious Cisco Networking Academy, a comprehensive three-level program covering foundational to advanced networking concepts and technologies. This immersive curriculum provides an in-depth understanding of networking principles, routing and switching, network security, and emerging technologies
